<p></p><p></p><p>Gameplay</p>

<p>In FNAF 4, you play from a first-person perspective and must use variou

s tools to protect yourself from the animatronics. &#128076; Your primary tool

is a flashlight, which you can use to keep track of the animatronics&#39; moveme

nts. You can also &#128076; close doors and windows to keep them out, but these

actions consume your limited supply of power. The animatronics move &#128076;

around your bedroom and can attack you from any angle, so you must use your sens

es and quick reflexes to &#128076; survive.</p>

<p>Conclusion</p>

<p>Overall, Five Nights at Freddy&#39;s 4 is a thrilling horror game that

will keep you on the edge of your &#128076; seat. The game&#39;s unique mechani

cs and intense atmosphere make it a must-play for any horror game fan. Just be p

repared &#128076; for plenty of jump scares and a challenging gameplay experien

ce. So, if you think you have what it takes to &#128076; survive five nights in

a room filled with animatronics, give FNAF 4 a try. Good luck, and have fun!</
