When everything is just right and the hunter is looking

perfectly stylish, pressing the A button will take the picture

. Pictures taken in the photo mode are saved in an in-game album as

well as the Switch's album on the HOME menu. Any picture from the in-game album

can be displayed as a decoration in the hunter's room.

When you exit the game, Steam

should pop up a window with the screenshots you took for that session so you

can delete or upload them as you see fit. Also you can access your screenshots in

the upper left hand corner of your Steam page.

Click

view tab, scroll down to screenshots.
