Tank Trouble is an online tank game where you drive in a maze and shoot missiles at your enemies. Tank Trouble pits you against clever army generals in mazelike battlefields. In Solo mode, you will face Laika, a master of war. You can also challenge a friend or two in multiplayer warfare.

Special items appear to give you an edge on your enemies, like rockets, scatter bombs or a double canon. Always make sure missiles don't bounce from the walls, killing your own tank.
