<p></p><p>Gameplay</p>
<p>In FNAF 4, you play from a first-person perspective and must use variou
s tools to protect yourself from the animatronics. 😆 Your primary tool
is a flashlight, which you can use to keep track of the animatronics' moveme
nts. You can also 😆 close doors and windows to keep them out, but these
actions consume your limited supply of power. The animatronics move 😆
around your bedroom and can attack you from any angle, so you must use your sens
es and quick reflexes to 😆 survive.</p>
<p>How to Play</p>
<p>To play FNAF 4, you will need to use the arrow keys or W, A, S, and D &
😆 keys to move around. You can use the space bar to shine your flashligh
t and the mouse to interact with 😆 objects. The game is split into five
nights, with each night becoming progressively harder. You must survive until 6
:00 AM 😆 to complete each night.</p>
