We are used to seeing and processing human faces and

objects, but seeing an eerie, near-human image such as a zombie triggers

fear. The face we see technically has all the features that

should make it recognisable to us as a human but instead we are faced with something

feral, lacking humanity.

Space Series They are not indestructible like the Hunter but they

are even scarier. They are like the velociraptors of Necromorphs: very fast,

deadly, and heart attack-inducing. They are another zombie breed that lets out a

loud and shocking scream when they attack.
