<p></p><p>The first game is Bad Ice Cream which you can play T
ODAY by navigating to our brand new HTML5 section: 💸 nitrome/html5-game
s. More games will be following starting with the Bad Ice Cream sequels over the
next two weeks and when 💸 we're done, we hope to have the entire f
lash catalogue of 130+ games playable in HTML5!</p>
<p>Nitrome now have a Disc💸 channel: <https://t.co/d7JkJjOG2f>
. As well as being a great place to discuss all things Nitrome this the place we
will 💸 be posting early betas of the new games that get converted. Ple
ase do sign up here if you are interested 💸 in trying them and there wi
ll be instructions on how to report any issues you may find with them.</p>
<p>We launched 💸 our first console game Bomb Chicken to the Ninte
ndo Switch in July 2024 <http://bombchickengame/>. It was featured in one of €
184; Nintendo s prestigious Indie Directs and went on to get a Physical releas
e by our friends at Limited Run. Limited Run 💸 also helped us port the
game to Playstation 4 and produce a physical release for that too. We also launc
hed 💸 a Steam version of the game and more recently the game has landed
on mobile devices so it is pretty 💸 much everywhere at this point!<

<p>In April we launched our second console release Gunbrick: Reloaded on S
witch and Steam <http://gunbrick/>. The 💸 game is a heavily expanded vers
ion of our previous mobile release Gunbrick which was awarded Editors choice b
y Apple at 💸 the time. The game now includes brand new isometric levels
taking the gameplay in a whole new dimension! The games 💸 origins can
be traced all the way back to Nitrome s very first icon game (a game that can be) Tj T* BT
